

Dear Parents

What a difference a year makes! This time last year, our newsletter celebrated the trips and visits our pupils had enjoyed throughout their curriculum themes. This year we find ourselves in very different circumstances. So, we felt it would be a good time to take a look back and celebrate all that we have enjoyed and achieved so far this academic year.

Thrive is a specific way of working with all children that helps to develop their social and emotional wellbeing, enabling them to engage with life and learning. It supports them in becoming more self-assured, capable and adaptable

All Concord staff have had training in the Thrive approach this term. We have staff who have specific responsibility for Thrive in school:

Miss Sherwood leads on Thrive across the school
Miss Stanton is our trained Lead Practitioner
