

Spring Term Newsletter 2

Dear Parents

The first half of the Spring Term has flown by, with the staff and children continuing to work hard, enjoy new topics and make great progress! A number of trips and activities have taken place and many more are planned for the rest of the year.

As always, thank you for your continued support. Please do not hesitate to call or come and speak to us if you have any questions or worries, we are always happy to help and support families as best we can.

Miss Sherwood

Year 3

As part of the Stone Age topic, the Y3s enjoyed baking their own food! Delicious!

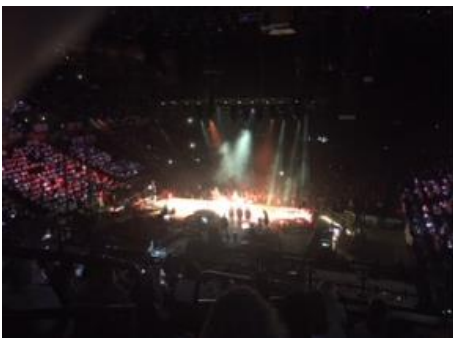

Year 4

Y4 have been exploring bubbles and making their own bath bombs!

Young Voices

A fantastic night at the Sheffield Arena, taking part in the largest school choir in the world!

Year 5

Y5 have become experts in all things 'space' during their topic on Stargazers.

Including a special visit to a Stardome and creating some wonderful models of the Solar system as part of their creative homework!

Year 6

Year 6 have been busy working hard, preparing for their SATs tests in May. We have had a fantastic response to booster sessions after school and we thank parents for their support with this.

Looking forward to the Kingswood residential and many more exciting activities during the Summer Term!

Thank you for your support with the changes we made to the arrangements for the beginning and end of the school day. The feedback we have received has been positive, so just a quick reminder about the arrangements:

Arrangements for the start of the day

Breakfast club runs from 8.00am every day.

Children arriving at school before 8.30am will be asked to go into breakfast club as there are no members of staff on the yard until 8.30am.

From 8.30am, children will be allowed out onto the yards as there will be members of staff outside, both on the yards and near the internal gate.

Children are asked not to bring their own footballs to school. Every class has a football to play with at break and lunchtime so that we can manage the number of footballs on the yard for health and safety reasons.

Arrangements for the end of the day

Y3 and Y6 children leave by the gate on the small yard.

Y4 and Y5 children leave by the gate on the big yard.

The main gates will be opened to allow pedestrians only (no vehicles) entry and exit from the school grounds.

Attendance

Please help us to support your child's education by making sure they attend school every day. If your child is too ill to come to school, please call the school office on the first morning of absence - 0114 2495050.

Thank you for your continued support.
